

First Class Operators come from First Class Training!

At Gala Industries, Training is as important a part of the equipment as the design or fabrication! In a continuous effort to remain on the cutting edge for our customers we are proud to offer a complete training program.

The Training Format Includes:

- Pre-test
- Equipment Basics
- Maintenance & Troubleshooting
- Final Test
- Certificate of Completion & MUCH MORE!

This training is invaluable for the knowledge & safety of your operators.

Fill out the information below, drop it in the mail & one of our customer representatives will be happy to follow up with a call & complete explanation of the training program.

Let Gala help you to achieve the most from your equipment & your operators!
