

VISITOR'S NONDISCLOSURE AGREEMENT

In consideration of permission from Gala Industries, Inc. ("GALA"), I hereby agree that all knowledge or information that I may acquire or obtain in connection with my visit (except that information which is in the public domain) will be kept confidential, and that I will not disclose or reveal any such information to any third party, other than employees of Company with a need to know such information, nor will I make use of the same for myself or any third party, other than employees of Company with a need to know such information, without the prior written consent of GALA.

GALA agrees that visitor may reveal certain information during the visit that is confidential to the visitor, therefore GALA will keep such information confidential, (except that information which is in the public domain) and will not disclose or reveal any such information to any third party, other than employees of GALA with a need to know such information, nor will make use of the same for itself or any third party, other than employees of GALA with a need to know such information, without the prior written consent of the visitor.

In addition, I hereby agree to observe all safety rules and other company regulations of GALA while on their plant premises and/or participating in specific training classes, workshops or Symposiums. Visitors are strictly prohibited from using any photographic device (including any type of camera, video recorder, cellular phone, personal computer/digital assistant or other device capable of recording images) while on the premises.
